Declaration of M. Miroyan
in support

Notice of filing conversion from Ch 13
to Ch 11 individual Bankruptcy; Declaration of
Michael Miroyan in support.

To Judge Hammond who has
denied me my due process rights
who has shut me out from her court
who has returned my filed documents
illegally to me when I never requested
it, I say to you Shame on you!! for
Pg. 1 of 2

denying me my right to access to the Court; for denying my due process right; for denying me equal protection under the law and in general I notify you now of my position diametrically opposed to you and Mr. Wayne Silver, a soon to be disbarred attorney who is a criminal masquerading as one and whom you have aligned yourself with to your detriment and at the cost of the integrity of your Court.

I do hereby notify you of my intent to file a motion of reconsideration based on the completely erroneously ruling of yours re the lifting of the stay where you throw me under the bus and allow the illegal acts of Wayne Silver to go forward rather than stopping him and you didn't allow me adequate time to speak or set the record. I further notify you in this declaration of my conversion from this case # 18-52601 to a H. 41 individual bankruptcy filing and I do hereby pray

the \$932 filing fee by 2 separate money orders:

1) #17-915429974 \$500 and

2) #17-915429975 \$432
\$932

with the conversion paper work to be filed in addition to this sworn declaration either before or directly after tomorrow's dismissal hearing at 9:30am in your Court brought by the US Trustee.

I swear under penalty of perjury of the laws of the State of Calif. all of the above is true. and I would welcome access to the Courts, and access to be able to set a proper record, heretofore denied.

M. MIRDY, JR.
